Pregnancy Center of Wayne County  
July 2016

## MOVING AND GROWING: OPEN HOUSE!

We are reading through Philippians together during our regular staff and volunteer devotional time and have found particular encouragement in in the third chapter, verse 14, in which Paul states “I press on toward the goal for the prize of the upward call of God in Christ Jesus.”

We are so excited to have plenty of goals right now, having just moved to a new space down the street in Newark. When the renovating is done, we will enjoy room for growth, for gatherings, and for on-site storage. We will still offer free pregnancy tests, std screenings, and ultrasounds. We will also be able to welcome a person or entity led by the Lord to sub-lease office space. Our focus remains on helping women and men before, during, and after unexpected pregnancy, regardless of their decisions.

To celebrate this new beginning we will be hosting an **OPEN HOUSE** at 1141 East Union Street in Newark on Saturday, September 17th from 11:00-1:00. Invite a friend and join us for a tour of the new center, free t-shirts, and light refreshments!

## YOUTH EMPOWERED

Hello! I believe God had a purpose for me to move to Newark in March of 2015. I started volunteering at Care Net Pregnancy Center, and was asked to participate in a Sexual Risk Avoidance (SRA) conference. This training, and the REAL ESSENTIALS program, has given me the credentials and materials I need to come alongside churches and other Christian groups to intentionally engage and prepare young people as they make important life choices. It is strategically crafted to inspire youth to live a life of character, self-regulation, patience, and perseverance.

The curriculum can be tailored to diverse individual and group needs, such as age and maturity levels. It leads youth away from high risk behaviors by teaching toward some things they desire and can immediately say, “yes,” to. Please contact me at Elizabeth. carenet@gmail.com to set up an appointment to discuss your group’s needs and how Care Net can help! Blessings,

Elizabeth Flieg,  
*Healthy Relationships Counselor*

### SAVE THE DATE, SNEAK PEEK

Friday, November 11 is the date set for Care Net's annual fundraising banquet. Tickets are \$25 each or 40 for couples. Reserve early, as seating is limited. The speaker is a young mom who was in the situation where some of our clients find themselves. Find out how the Lord changed her life from one of addiction to one of hope!

Because of the testimony of this year's speaker, we are inviting local friends to join us. Please call or email if you would like to sponsor some of these individuals or tables for the banquet.
