Today is my husband’s birthday! And Dr. Seuss’ birthday! In celebration of the famous children’s author, the National Education Association is promoting Read Across America for kids, parents and teachers. Reading is crucial to developing imagination, creativity, and life-long learning. Close to home, the Care Net Spellers participated in a Spelling Bee for the Literacy Volunteers of Wayne County. This group has continuously expanded their work to address family literacy, ESL, and computer and vocational literacy. We were happy to be part of one of the many positive events of our community.

Care Net envisions a culture where abortion is forgotten, where life for the unborn is championed, and families are transformed through the gospel of Jesus Christ.

But even more important than reading, education, and literacy is LIFE! A baby has to be born to be read to. **You who love and pray for and support Care Net value the human right to life.** We who work here and volunteer are pro-life. The men and women on the Board of Directors want to advocate through the Center and its services on behalf of LIFE! Check out our Facebook page to see some of the many little ones who have joined the care Net Family.

Our mission is to offer Christ-centered compassion, hope and help to women and men facing unexpected pregnancies and making life changing decisions.

This fall, the Fundraising Banquet theme is “Everyone Deserves a Birthday” and will be held at the Lighthouse Fellowship in South Butler. Please pray for God’s people to “show up” and celebrate LIFE together!

Grateful to you,

Deb Stoep
